Signature

The operator (or designee) shall update the SWPPP no later than seven days following any modification to its implementation. All modifications or updates to the SWPPP shall be noted and shall include the following items:

1. A record of dates when:
 - a. Major grading activities occur;
 - b. Construction activities temporarily or permanently cease on a portion of the site; and
 - c. Stabilization measures are initiated;
2. Documentation of replaced or modified controls that have been used inappropriately or incorrectly and where modified as soon as possible;
3. Areas that have reached final stabilization and where no further SWPPP or inspection requirements apply;
4. All properties that are no longer under the legal control of the operator and dates of which operator no longer had legal control;
5. The date of any prohibited discharges, the discharge volume released, and what actions were taken to minimize the impact of the release;
6. Measures taken to prevent the reoccurrence of any prohibited discharge; and
7. Measures taken to address any evidence identified as a result of an inspection required under Part IIF. By initialing a SWPPP modification below, you are making the certification found in Part III K of the Permit.

Date 12/22/20

Signature

The operator (or designee) shall update the SWPPP no later than seven days following any modification to its implementation. All modifications or updates to the SWPPP shall be noted and shall include the following items:

1. A record of dates when:
 - a. Major grading activities occur;
 - b. Construction activities temporarily or permanently cease on a portion of the site; and
 - c. Stabilization measures are initiated;
2. Documentation of replaced or modified controls that have been used inappropriately or incorrectly and where modified as soon as possible;
3. Areas that have reached final stabilization and where no further SWPPP or inspection requirements apply;
4. All properties that are no longer under the legal control of the operator and dates of which operator no longer had legal control;
5. The date of any prohibited discharges, the discharge volume released, and what actions were taken to minimize the impact of the release;
6. Measures taken to prevent the reoccurrence of any prohibited discharge; and
7. Measures taken to address any evidence identified as a result of an inspection required under Part IIF. By initialing a SWPPP modification below, you are making the certification found in Part III K of the Permit.
