History, Elegance and Charm

1909 Belfield Road
Belle Haven

Presented by Linda Trinkle Wolf

1909 Belfield Road

If these walls could talk, you would be traveling back in history into the legend of President John F. Kennedy and his family. For over 70 years, this very special home was the home of Mary Barelli Gallagher and her family, personal secretary to President, and Jackie Kennedy.

The Gallagher family was dedicated to the Kennedy and loved the frequent visits of the Kennedy children and the President and Mrs. Kennedy. With great respect for the charm and history of this special home, it has been meticulously restored by Wakefield Homes, one of the area's most respected builders. Wakefield's commitment to the historic integrity of this home is seen in both the interior and exterior architectural details, many of which have been carefully restored in this light filled home.

From the intimate seating area by the fireplace when you enter, to incorporating several of the period pieces, this home maintains the spirit of its history. Now a 4-bedroom, 3 full bath home, Wakefield Homes transformed it into a home for a family of today. There is a fabulous eat-in kitchen/family room, a formal living room, with a delightful view of side trees, and a spacious dining area and office. The upper level has a master suite with a balcony overlooking the garden, 3 more bedrooms and 2 additional baths. The lower level has a great play area for kids or adults who enjoy pool. There is a utility room and a room off the garage that could be turned into a fabulous wine cellar.

The exterior of the home is perfect for family fun with the original stone fireplace. Whether you are looking for a home with warmth for your family or a home with a perfect flow for entertaining, you will love this gem. Don't miss the Koi Pond where the Kennedy and Gallagher children shared many happy memories.
